About the Institute

Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr.G.Ramachandran and Dr.TS.Soundaram Ramachandran, has as its foundation Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. The Institute is fully funded by Ministry of Education, Govt. of India and Accredited by NAAC with "A++" grade (4th Cycle).

About the Department

Department of Rural Industries and Management is one of the oldest Departments in Gandhigram Rural Institute. It was established in 1956 as a training centre for rural industries, preparing and training manpower for techno-managerial cadres. Then it became a centre for Higher learning in rural industries. The Department is unique within the university system, as it offers programmes in Rural Industries and Management that are highly interdisciplinary. The programmes of the department deal with industrial processing and technology, Studies on functional areas of management, and research to enhance the overall performance of rural/small-scale industries.

About INNOYA'26

INNOYA'26 provides a dynamic platform for students to showcase their creativity, innovation, leadership, and managerial skills. The event brings together participants from various institutions to engage in intellectually stimulating competitions that reflect real world business challenges.

With events such as Paper Presentation, Logo & Slogan Designing, AD-ZAP, IPL Auction, Best CEO, and Corporate Walk, the meet encourages critical thinking, teamwork, communication, and strategic decision-making.

By blending academic knowledge with practical exposure, INNOYA'26 promotes experiential learning and inspires students to think innovatively and perform confidently in today's competitive environment.
