Under the scheme of

### Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT)

## ABOUT THE INSTITUTE

Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr. G. Ramachandran and Dr.T.S.Soundaram Ramachandran, has its foundation as Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focused on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. GRI was one of the pioneers in introducing Choice Based Credit System (CBCS) in 1996. The curricular model developed at GRI organically integrating teaching, research and extension has earned the Institute, the status of Deemed University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and 'A' Grade in its third cycle of reaccreditation in the year 2016.

## DEPARTMENT OF EDUCATION

The Department of Education, Gandhigram Rural Institute is a Teacher Education Department with reputation as a leading centre for Teaching, Training, Educational Research and Extension. The Department offers the Two year B.Ed, M.Ed Degree, Four Year B.Sc., B.Ed Integrated, M.Phil and Ph.D Programmes. The vision of the Department is to develop and sustain the quality in teacher education programmes by integrating the current knowledge and pedagogical principles with the basic education programme propounded by Gandhiji.

## PMMMMNMTT MISSION

Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMMNMTT) Mission is envisaged to address comprehensively all issues related to teachers, teaching, teacher preparation and professional development. The mission will focus in a holistic manner dealing with the whole sector of education without fragmenting the programmes based on levels and sectors as school, higher, technical etc. It will try to bridge the gap between teachers and teacher educators. The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMMNMTT) is a Central sector scheme with all India coverage.

## ABOUT THE CONFERENCE

Skill development is critical for achieving faster, sustainable and inclusive growth on the one hand and for providing decent employment opportunities to the growing young population on the other. Countries with higher and better levels of skills adjust more effectively to the challenges and opportunities of world of work. Skills and knowledge are the driving forces of economic growth and social development for any country. Skill India campaign was launched on 15 July 2015 by Prime Minister Narendra Damodardas Modi. The campaign aims to impart

training to 400 million (40 crore) people in India in different skills by 2022 so that they can achieve employment. Under this campaign various initiative are taken by government like National Skill Development Mission, National Policy for Skill Development and Entrepreneurship, 2015, Pradhan Mantri Kaushal Vikas Yojna (PMKVY) and Skill Loan Scheme.

The Ministry of Skill Development and Entrepreneurship was set up in November 2014 to drive the 'Skill India' agenda in a 'Mission Mode' in order to converge existing skill training Skill India is an initiative of the Government of India which has been launched to empower the youth of the country with skill sets which make them more employable and more productive in their work environment. Therefore, GRI proposes to launch the National Skill Development Mission which will provide the overall institutional framework to rapidly implement and scale up skill development efforts across India. The enormity of India's skilling challenge is further aggravated by the fact that skill training efforts cut across multiple sectors and require the involvement of diverse stakeholders such as: multiple government departments at the centre and state levels, private training providers, educational and training institutions, employers, industry associations, assessment and certification bodies and trainees. All these stakeholders need to align their work together in order to achieve the target of 'Skill India'.

In accordance with the Mission Statement of National Skill development Mission the present conference provides a platform, "To rapidly scale up skill development efforts in India, by creating an end-to-end, outcome-focused implementation framework, which aligns demands of the employers for a well-trained skilled workforce with aspirations of Indian citizens for sustainable livelihoods". In this regard, the present conference provides a platform for discussions, deliberations and collective reflections on Skill development.

## OBJECTIVES OF THE CONFERENCE

The objectives of the conference are

- ❖ To review the current status of skill Development at various levels in the education sector
- ❖ To enhance the employability of Youth through Skill Development
- ❖ To identify the impact of skill India Mission at various sectors of Higher Education.
- ❖ To promote Skill Development at HEIs through collaborative efforts
- ❖ To suggest Strategies for effective implementation of Skill Development at all levels.

## SUB THEMES OF THE CONFERENCE

The following themes are proposed for the conference:
