

Registration Fees (Includes Working Lunch, Refreshment & Conference Kit)

Participants	Registration Fees
Faculty	Rs.1000/-
Students and Scholars	Rs. 500/-
Scholars with Fellowship	Rs.750/-
Others	Rs.650/-

Account Details :

Account Name : Head, Department of Home Science

Bank Name : Canara Bank

A/C No : 8500101000100

Branch : GRU Gandhigram

IFSC Code : CNRB0008500

Demand Draft / NEFT may be drawn in favour of
The Head, Department of Home Science, GRI

Important Dates :

Last date of Abstract Submission :
18.03.24

Intimation of Acceptance : 20.03.24

Submission of full paper :
23.03.24

Payment of Registration Fee : 23.03.24

Guidelines for Paper Submission: The paper must include an abstract with a word limit of 300 words. Author details, including a valid email ID and proper contact information, should be provided. Only selected papers will be published in book with ISBN number after peer review with extra charges. The abstract and full paper should not exceed 6 pages on standard A4 size paper. Times New Roman font with a size of 12 should be used throughout the paper. Papers should be submitted in Word document (.doc/.docx) format via the provided email (nationalseminarlsdgs@gmail.com).

Accommodation : Limited number of accommodation is available and hence it will be arranged to the participants on payment on sharing basis in the University Faculty Guest House on first come first served basis.

Organising Committee

- Chief Patron :** **Dr. V.Kamakoti**
Vice-Chancellor (Additional charge)
GRI-DTBU, Gandhigram
- Patron :** **Dr. L.Rathakrishnan**
Registrar i/c
GRI-DTBU, Gandhigram
- Organizer :** **Dr. K.S.Pushpa**
Professor & Head
Department of Home Science
GRI - DTBU, Gandhigram
- Co-organizer :** **Dr. S. Kavitha Maithily**
Associate Professor
Department of Home Science
GRI - DTBU, Gandhigram.

Members

- Dr. R.I. Sathya**, Professor
Dr.S.S. Vijayanchali, Professor
Dr. A. Thahira Banu, Asst. Professor

UGC Sponsored

**NATIONAL SEMINAR ON
LOCALIZATION OF SUSTAINABLE DEVELOPMENT
GOALS (LSDGS): ROADMAP FOR HOME SCIENTISTS**

(27.03.24 – 28.03.24)

(Hybrid Mode)

(Venue : Silver Jubilee Hall)

Organized by

Department of Home Science

School of Sciences

Gandhigram Rural Institute (Deemed to be University)

Ministry of Education (Siksha Mantralaya),

Gandhigram, Dindigul District - 624 302. Tamil Nadu, India

Website: www.ruraluniv.ac.in

ABOUT THE INSTITUTE

The dedicated disciples and contemporaries of Gandhiji, Dr. T.S.Soundram and Dr. G.Ramachandran founded Gandhigram, in the year 1947. The Gandhigram Rural Institute was instituted in 1956 with the goals of realizing the lofty ideals of Mahatma Gandhi on rural higher education. It became a Deemed University in 1976. The academic programmes of this institute are innovative in nature combining teaching with extension and research. The Institute is controlled by the Ministry of Education, Government of India and fully funded by UGC, New Delhi. The Institute has eight schools, 19 Departments and nine centres offering 61 academic programmes ranging from certificate, Diploma, Graduate, Post Graduate Diploma, Doctoral and Post doctoral level. Convergence of project based extension inputs of all the faculties and departments in service villages have made indelible impact on the life of the people. University departments have established linkages with the NGOs and Government Organizations on rural development issues.

ABOUT THE DEPARTMENT

The Department was established in the year 1956. The department offered a three years Diploma in Rural Services in Home Science till 1976. When the Institute becomes a Deemed University, the nomenclature was changed to B.Sc Home Science. The Department introduced M.Sc in Home Science Extension(1984), Ph.D Part-time and Full time (1989), M.Sc Food Science and Nutrition (2003), M.Phil in Food Science and Nutrition (2006), B.Sc Textiles and Fashion Design (2012) and M.Sc Textiles and Fashion Design (2018). The Department has generated Rs. 1.33cr through funded research projects. The UGC has sanctioned Rs.51 lakhs for B.Sc Textiles and Fashion Design under innovative programme. The Department is working towards empowerment women and children through research and extension. A day care centre for children is managed by the Department. The Department has produced 52 Ph.Ds and 17 scholars are working for their Ph.D programme. The faculty members of the department are serving in various committees at state and central level.

ABOUT THE NATIONAL SEMINAR

India has played an important role in shaping the Sustainable Development Goals (SDGs) and ensuring the balance among its three pillars – economic, social and environmental. The memorable phrase "Sabka Saath Sabka Vikas", translated as "Collective effort, Inclusive development" and enunciated by the Prime Minister, forms the cornerstone of India's national development agenda, which is aligned with the spirit of the Sustainable Development Goals' motto of "Leaving No one Behind". India's success in adopting, implementing and monitoring SDGs stands as a testimony to the principle of cooperative federalism and the achievement of SDGs strongly depends on the progress made by the state governments. It is realized that to succeed the 2030 agenda in India with a population of, 1.3 billion SDG localization is an imperative. Localization is described as the process of defining implementing and monitoring strategies at the local level for achieving sustainable goals and targets. Achieving Localization of SDGs is possible by bringing desirable changes at the grass root level through various change agents and by building wide range of partnerships. The universities and other higher education institutions in the country have a pivotal role in achieving LSDGs through its enriched curriculum, outreach activities and community based research. Home Science subject with its diverse disciplines has the potential to work on the nine thematic areas of LSDGs proposed by India. The deliberations in this seminar will provide the road map for Home Scientist in achieving LSDGs.

Objectives:

The main objectives of the Seminar are:

- ❶ to identify the issues and challenges in achieving LSDGs at micro level
- ❷ to evolve the strategies, innovative approaches, networks and models for home scientists to achieve LSDGs and
- ❸ to document / compile the outreach and research activities, success stories done at various regions in connection with LSDGs

Themes of the Seminar

Research and review papers that address the challenges and solutions at the micro level in the following themes are invited for oral and poster presentations.

Themes	Sub themes
Poverty Free and Enhanced Livelihood Panchayat	Sustainable Livelihood Development, Self Help Groups, Rural Entrepreneurship Development, Poverty Alleviation Schemes
Healthy Village	Household Food Security / Nutrition Security, Value Addition, Micronutrient deficiencies, Malnutrition, Health and Nutrition related programmes, Mental Health and Wellbeing, Healthy Aging, Communicable and Non-communicable Diseases, Ayushman Bharat
Child Friendly Village	Child Friendly Infrastructure /programmes, ICDS, Poshan Abhiyan, Child and Adolescent Health, School Education, Child Protection, Children's Clubs, Children with Disabilities
Water Sufficient and Clean and Green Village	Drinking Water, Rain Water Harvesting, Water Recycling, JalJeevan Mission, Renewable Energy, Sustainable Waste Management, Social Forestry, Kitchen Garden, Swatch Bharat Mission, Organic Farming
Women Friendly and Socially Secured Village	Women Empowerment, Legal Literacy, Women Safety and Security Measures, Schemes related to Women and Development.

(Note : Paper and Poster presenters only from outside Tamil Nadu are permitted to present in online mode)

Participants : Students, Faculty, Research Scholars, Project Staff, NGO personnel, Panchayat members, freelancers, dieticians, extension workers, industrialists or anyone interested working on our archiving in SDGs
