

JOURNAL OF EXTENSION AND RESEARCH (JER)
(UGC- Approved Journal No.48381)

AN APPEAL FOR CONTRIBUTION

As the work of releasing third issue of the *Journal of Extension and Research* is completed with the constructive contribution of Faculty members, colleagues, well-wishers and other friends both inside and outside Gandhigram rural institute, the text of the finalized material is sent for printing and same is being released soon. Since the journal is bi-annual, we have just initiated the work of collecting research papers to bring out the next issue of the journal. Therefore we invite applied research based articles, short communication including book reviews, qualitative research based case studies, success story narratives, selected research papers presented in the seminars/ symposia/ workshops recently held in GRI, Lecture notes on PLS etc. from the Faculty members.

Since the Journal is to represent multi-disciplinary contributions from various departments/subjects, research articles with focus on development/innovative/creative practices after peer review will be given priority in publication.

The Editorial Board meeting held recently under the Chairmanship of our Hon'ble Vice Chancellor has decided besides other operational and managerial strategies, to provide wide visibility to this Journal outside universities both inside and outside the State so as to make it popular and attract wide circulation. Moreover **JER has got recently UGC's approval and listed with No. 48381.**

Therefore, I request the Deans/HODs/Directors in GRI to bring it to the knowledge of Faculty members both inside and outside GRI to contribute research based articles and send it to the Executive Editor latest by **15th November 2017** so as to publish the next issue of JER at the earliest.

I solicit your constructive cooperation to fulfill this responsibility and regular release of our Journal of Extension and Research (JER).

With kind regards.

Yours faithfully

(S.GURUSAMY)

EXECUTIVE EDITOR

Journal of Extension and Research
Gandhigram Rural Institute-Deemed University,
GANDHIGRAM - 624 302, Dindigul Dt., Tamil Nadu.
