Letter from AIU Secretary General to all member universities .pdf (~198 KB)

Sir/Madam

New Year Greetings from AIU!

We are delighted indeed to inform that the Ministry of Education, Govt of India has launched *YUKTI 2.0*, an initiative to create a National Repository of information on various technologies, products, innovations, startups created by students, faculty members and start up from Higher Education Institutions. The objective of the initiative is to handhold these innovations and startups through connecting them with mentors, investors and incubators.

A letter from Secretary General, AIU informing the Higher Education Institutions for registration in YUKTI 2.0 with other required details is attached for your perusal and further action. The details of the initiative along with registration procedure can be accessed from the following weblink:

January 04, 2021

Dear Vice Chancellors/Directors,

Greetings from AIU!

It is my pleasure to inform you that the Ministry of Education has launched an initiative 'Yukti 2.0' on **23 June 2020** with an objective to create a national repository of information on various technologies, products, innovations and startups created by the students, faculty and startups from our HEIs. The objective of **Yukti2.0** is to handhold these innovations and startups through connecting them to the right mentor, expert, incubator or investor. It will also help the government to identify bottlenecks and formulate appropriate policies to strengthen the innovation ecosystem in the country.

Registrations of the students, faculty, startups from HEIs and incubators are currently open. Innovations belonging to any stages- idea, PoC, Pilot, Product, Assembly Set Up, Soft Launched, Commercialized, are eligible for submission. User can login to access and submit the innovation disclosure form at following web link:-

<https://yukti.mic.gov.in/>

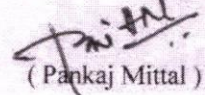

Institute and institute's incubator can also login and submit the innovations on behalf of students, faculty and startups. After compilation of 1st batch of submission an experts' committee shall evaluate the innovations and based on their recommendations, handholding of the innovations will be considered for mentoring and funding. Submission on **Yukti2.0** will enable the government to ensure that innovators from education institutes are facilitated and suitable opportunities are extended to the innovations from HEIs.

The information may be given wide publicity, so that interested students, faculties and incubators can participate. In case of any queries or information please contact **Dr. Mohit Gambhir** through the E-mail ID: **mohit.gambhir@gov.in** or Mobile +91-98103 41200.

Let us make this initiative successful by your active participation. Looking forward to your cooperation.

With regards,

Yours sincerely,

(Pankaj Mittal)

All Vice Chancellor/Directors of Member Universities/Institutions.
