To,
The Head of the Institute
& Nodal Officer, ARIIA 2021

Dear Sir/Madam,

As informed earlier, now institute can log into the ARIIA page and click the tab "Patent Justifcaiton" to see the pre-populated list of patents published (for the annual calendar year 2019) and patents granted (for the annual calendar year 2017, 2018, and 2019) information pooled from the 3rd party sources. Institute needs to login to the ARIIA page and cross-check and verify these patents if belong to the HEI as an assigned/applicant and confirm the same positively by 6th Sept 2021. Please note that patents with the institute as Assignee/Applicant only to be considered for ARIIA. Individual patents where the institute has no assign/applicant role should be rejected. In case, the institute finds any patent published (for the annual calendar year 2019) and patents granted (for the annual calendar year 2017, 2018, and 2019) that is not listed here, then the institute can add these by clicking the "Add Patent Published/Granted" button placed at the right top corner of the page.

As currently, validation and evaluation are under progress, further notification regarding [Creation of the webpage for ARIIA on the home page of the Institute's website and **MANDATORILY & PROMINENTLY** display of the updated ARIIA 2021 report (PDF)] & [Opening of public feedback window on ARIIA applications submitted by HEIs] will be notified soon.

For quick communication and query clearance, a telegram group has been created for ARIIA Nodal officers. All nodal officers are requested to join the Telegram group "ARIIA 2021" by clicking the link <https://t.me/joinchat/IUzid9A77nOW4w7w>

For any technical query write to us at support-ariia@gov.in , phone: +079-2326-8346. For general query, write to us at contact-ariia@gov.in , phone: +011-29581235

For any specific query, you may reach Shri Dipan Sahu, Asst. Innovation Director, MoE's Innovation Cell, dipan.sahu@aicte-india.org , phone - +011-29581226

We look forward to seeing your institution's active participation in ARIIA 2021.

Thanks & Regards

ARIIA Implementation Team
