

Dear Vice Chancellor,

I am writing on behalf of the **AIU-CII Smart Manager Programme** team. The certification programme by AIU for students across Universities and Colleges in India to provide the necessary professional s corporates look for during placements or recruitment drives, and this programme is also **viable alte internships** with measurable learning outcomes.

AIU realised the need for an industry grooming of students via an online internship program during times and hence came up with the Certification Programme which is endorsed by the esteemed inc India- **CII (Confederation of Indian Industry)**.

Since the roll out of the programme from AIU in last week of July 2020, students from universities a started their learning digitally. More than 1000+ students from Alagappa University, Manipal Univer University and many more has already enrolled up for the certification programme.

AIU has also asked to assign a dedicated SPOC for the roll out of the programme amongst the stude them on-boarded on the course.

In case, you haven't received the official letter from AIU, I am hereby attaching the letter and the lir <https://www.aiu.ac.in/documents/index/announcement/AIU-CII%20Smart%20Manager%20Progra> you to roll out the same to the students.

The students can express their interest by responding to this **AIU - CII Smart Manager Programme** | <https://forms.gle/FF16CLVGCLbmQqEy8>
