I am by direction to inform that our Institute has entered into an agreement with
National Academic Depository, a Digital Initiative of Government of India, to be adopted by
all Universities for the safe online storage, retrieval and verification of Degree certificates,
Mark statements, Transfer certificate and Migration certificate etc., of all the University
students. This system will be useful not only for the students for safe custody of their
certificates in the form of soft copy to be downloaded by them at free of cost at any time and
also beneficial for the Institutions/Employers for online verification and authenticity at
nominal charges.

During this year, the soft copy/template of Degree certificates, Grade statements
etc., of the outgoing students (April 2017 passed out students) are to be uploaded to National
Academic Depository along with the Adhaar numbers of the students since this entire
system is to be operated on the basis of Adhaar numbers.

Hence all the Deans, HODs, Directors and Coordinators are hereby requested to
collect photocopies of Adhaar cards of all the outgoing students of their Departments,
consolidated statement of grades and Provisional certificates and to forward the collected
photocopies of Adhaar numbers to the Examination section positively.
