Dear Vice Chancellor/Principal/Director,

As part of our ongoing efforts to promote safer and more inclusive campuses, the UGC Anti Ragging National Monitoring Agency is conducting a Confidential Youth Survey to gather feedback from students on the anti-ragging mechanisms currently in place in their respective colleges, universities, or institutions. This nationwide survey is open to all students enrolled in Higher Educational Institutions (HEIs) across India. Refer the survey link: <https://www.antiragging.in/youth-survey.php>

You are humbly requested to encourage the students of your institution to actively participate in this important initiative. Their first-hand experiences will be highly valuable in understanding on-ground realities and strengthening anti-ragging systems across the country collectively.

All responses to the survey will remain strictly confidential, and participation is completely voluntary. The survey is available at www.antiragging.in. We respectfully request you to widely disseminate this information among your student community through appropriate channels such as official emails, institutional websites, notice boards, and WhatsApp groups.

Your kind cooperation in this matter will significantly contribute to our shared objective of ensuring a safe, respectful, and supportive academic environment for all students.

With sincere appreciation for your continued commitment to student welfare and campus safety.

Best Regards
