**CIRCULAR**

Sir / Madam,

Sub : Power Fluctuations during summer – Request to reduce the usage of AC – Reg.

We are facing power fluctuations for the last one week. The main reason is the usage of Air Conditioner in the School / Department / Centre and administrative Block.

It is informed that Air Conditioner may be provided only to Seminar Hall (only during seminars) / Computer Centre / Sophisticated Instruments / Authorities.

Hence it is directed to disconnect Air Conditioner used in School / Department / Centre and administrative Block to avoid power fluctuations.

Necessary support may be extended to Electrical Division to disconnect Air Conditioners used in other places in your School / Department / Centre and administrative Block.
