Scholars Room

Date: First Thursday of Every Month

Time: 03.00 pm – 04.00 pm

Venue: Department Library cum Seminar Hall

The SEFL community is pleased to introduce the 'Scholars Room' meetings which will be held on the first Thursday of every month at the Department Library cum Seminar Hall at 3 pm. Each person may make an hour-long presentation on a topic related to his/her topic of doctoral research (theory, authors selected etc.). This initiative aims to give the research scholars an enhanced understanding of the theoretical developments and new trends in literary research which would in turn strengthen their knowledge base. Scholars Room would thus function as a platform for the scholars to interact and share their knowledge in diverse fields making them more theoretically competent thereby enabling them to engage with the academic space with greater confidence and proficiency.
